

"I never planned to have a life-changing spinal cord injury OR a life-changing scuba experience, but Craig Hospital helped me with both. I could never have foreseen the incredible experiences that were in my future when agreeing to go on a scuba outing. A simple somersault the first time underwater at A-1 Scuba & Travel Center with "Discover Scuba," convinced me to explore this adventure more. Now I've done 54 dives with my wife and traveled to amazing places. The donors of Craig Hospital introduced me to a world of adventure beyond my injury."

**Scuba Program**

**For divers with disabilities**

**Give Hope to Patients at Craig Hospital .....and be eligible to win a Trip for Two to Cozumel!**

Spinal cord or traumatic brain injury causes disability for hundreds of patients who arrive at Craig Hospital each year. For more than a decade, scuba diving has given these individuals hope for their future. A scuba adventure in the middle of rehabilitation is a one-of-a-kind opportunity that shows people with disabilities what is possible.

The “Discover Scuba” program at Craig Hospital brings patients to A-1 Scuba & Travel Center every month to experience water adventure outside their wheelchair. Patients also have opportunities to dive at Landry’s Denver Downtown Aquarium, become certified and take trips. This program is only possible through generous grants and donations from our community.

To encourage more people to support this important program, A-1 Scuba & Travel Center has made a trip to **Cozumel available as a prize for donors** during their annual sale on **May 22 and 23, 2010**. Make a tax-deductible gift of at least \$20 to the Craig Hospital Foundation for the Divers with Disabilities Scuba Program and you will have a unique opportunity to win a trip for two to Cozumel. This incredible opportunity includes: Eight days and seven nights lodging at Hotel Cozumel with

three meals each day included – plus twice-a-day dives with Dive Paradise.

The prize will be announced on Sunday, May 23 at 3:00 p.m. The lucky donor need not be present to win.
